Shop update	<p>CM has received an anonymous phone call reminding the Campaign of lockdown rules. The Shop Supervisor reported the shop remained closed throughout lockdown. The shop Co-ordinator has checked weekly on the shop utilities & collected post. There is a poster in the window alerting customers that reservations can be made for when the shop reopens. We aim to reopen the shop on April 12th but will need to change stock & prepare for reopening beforehand. This means Volunteers will be working inside the shop (socially distanced) when available.</p>	ALL

	<p>Feedback has been positive & has generated a lot of new viewers. RH requested that when advertising posts on facebook groups that commenting be turned off as we want to attract people straight onto our own sites for the advertised reason.</p> <p>We are still awaiting feedback from the 2nd government grant.</p>
