Acceptance of minutes	Proposed: Helen King 2nd Cat Margrie	
Matters arising from minutes	We need to advertise all roles, committee members & officers roles should be a priority, then shop volunteers. Social media, website etc. Discussions on how roles could be work from home & specific roles for Committee members continue. DEADLINE to coincide with the New Year website launch.	ALL
Shop update	Sales going well before 2nd lockdown. Using closed time to sort excess donations & get ready for Christmas. Reservations can now be made from the window to collect from the 3rd Dec Rachael is looking into putting larger items into a specific photo album on our Facebook page for sale, which can be updated easily & regularly, Christmas window competition as we are limited in shop volunteers entry will be if time permits. Christmas Festival will be limited due to Covid restrictions, the best we can hope for is a Tombola stall in the Waldrons garden. There are no gazebos left & we will need to source our own. No luck with shout outs so far. The shop will be reopening on Dec 3rd time TBA on a weekly basis on facebook & shop door.	RH
Treasurer's update	The bank total as of the 5th November 2020 is £185,807.83. Some of the Summer Ball deposits have now been returned. We are applying for a new Government grant to help cover rent & utilities.	СМ
Chairs update	The acquiring of a 2nd bank account is near completion awaiting paperwork. Good progress is being made with the new updated website & hopefully should be ready for launching in the New Year. Volunteers are encouraged to email any photos, newspaper articles or other relevant content to CM. Roy Gould has asked to stay on the Committee, although he has not met the criteria in the T&Cs. It was agreed that Roy would be invaluable in the role of Campaign representative on the Neighbourhood Plan Team. Proposed CM. 2ND RH.	CM CM ALL
